Some useful information

Some transactions may take a few days to finalise. This means that they may appear on your statement at a later date than when you made them.

Foreign currency transactions

When you make foreign currency transactions, we'll show you the conversion rate we used at the time the transaction was finalised.

Interest

The AER is 1.00% (variable). AER is the rate of interest you earn from us on any balance above £0. It's short for Annual Equivalent Rate and shows how much interest you'll earn on your balance each year, including any prior interest payments.

Your deposit is eligible for protection by the Financial Services Compensation Scheme (FSCS).

The information sheet and exclusions list are available to view in the app. For further information about the compensation provided by the FSCS, refer to the FSCS website at <https://www.fscs.org.uk/>
